future.
I am not
happy.

Sunset . . . th

prologue to life

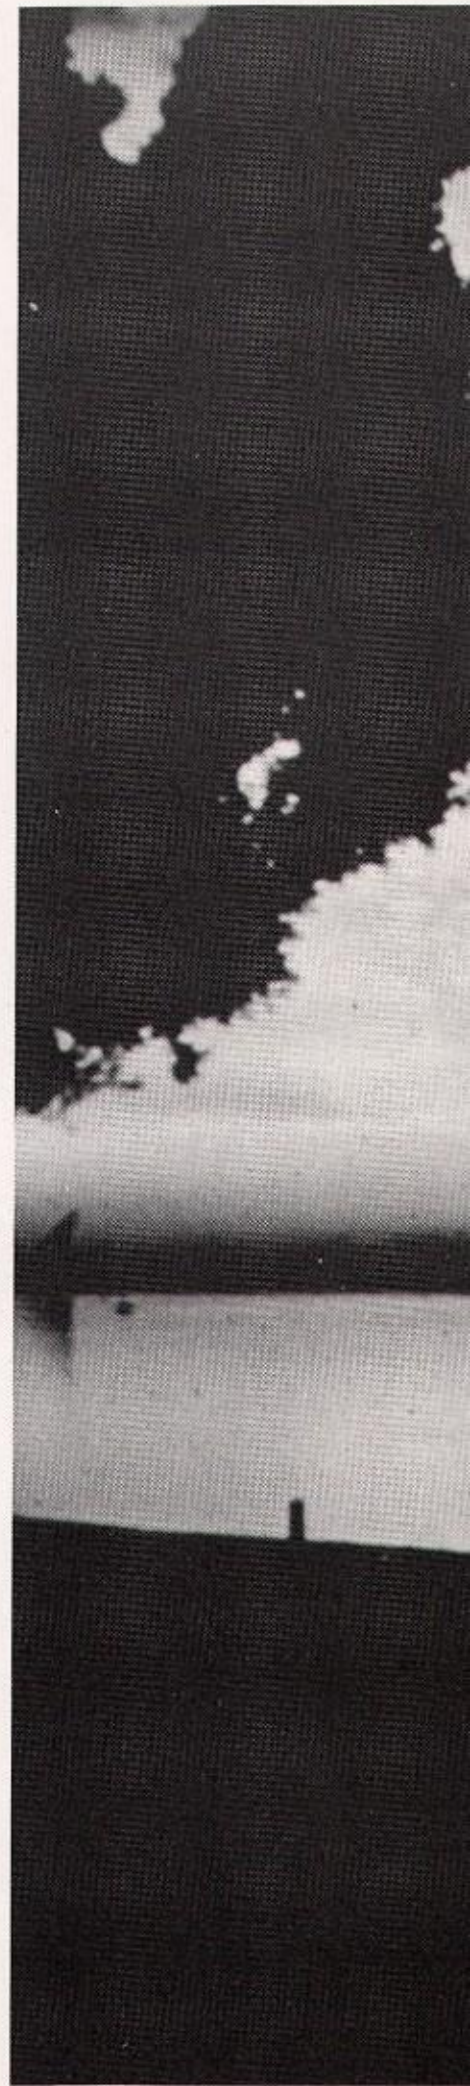

. . . a commencement of new horizons.

As we, the senior class, walk out of the doors of Valley Forge for the last time, we feel the effects of our accomplishments. We are not only taking the memories of three brief years with us, but are leaving traditions that will be followed in years to come.

During the past three years our homecoming floats won first prize; our top scholars triumphed in front of an audience of thousands; this year our victorious football and wrestling teams captured the Lake Erie League crowns. Whatever we attempted, we attempted as a class, and we did it well.

Our artistic, academic and athletic accomplishments were a vital part of Valley Forge these past years. Our achievements will continue to animate imaginations and memories in the years to come. As we leave Valley Forge, we know that wherever we go, the spirit of Valley Forge will never leave us: "Always we cherish thee, Valley Forge High."

JUNIORS

In June the class of 1966 closed the doors of its second year at Valley Forge High School. Behind these doors were many happy memories—the construction of the Junior Class float during Homecoming Week, the cheering of the Patriot teams to victory, the completion of the School Spirit Contest, the sponsorship of a booth at the annual All School Party, and the planning for the big moment of the year—the Junior Prom. Sponsor Miss Linda Callan and officers: Brad Burgess, president; Melanie Radlick, vice-president; Gail Kulscar, secretary; and Leslie Dahn, treasurer guided the Junior Class to the last doors it will open at Valley Forge.

SOPHOMORES

The Sophomore Class opened many new doors during their first year at Valley Forge. The first function of the class was to elect officers. Dave Rudyk was chosen president; Bonnie Walkup, vice-president; Sue Schwan, secretary; Sharon Koster, treasurer. Advised by Miss Thelma Kanaris, the class participated in many different activities such as the school spirit contest. The junior varsity teams did their best to bring honor to Valley Forge. When the Patriots started their practice in early August, little did they realize that the rugged season ahead would bring highest honors to Valley Forge. The Patriots shared the Lake Erie League championship with the Shaw Cardinals. Mr. Stan Parrish and Mr. Joseph Carlo, line coaches, and Mr. Robert Ramlow and Mr. Ronald Calabria, backfield coaches all helped to get the team in shape.

After winning the Euclid game, head coach Mr. James Fritzsche said, "I am proud of these boys who rose to the occasion in the last game of the season. They signified that

they were true champions when they came from behind to win the Lake Erie League Crown."

This year three of the Patriots were chosen Press Stars for the **Cleveland Press**. They were: Ron Sency, Chuck Speck, and Tom Cahal. Honorable Mention was given to Dave Kenscon and Mike Textoris. Ed Zaremba and Dave Petrus were chosen for the **Plain Dealer** Dream Team. It looks as though the Patriots' tremendous season signaled the beginning of a new era of championships for Valley Forge High School.

In spite of Captain Rick Steinfadt's superb record of fifteen straight wins, which was abruptly halted by a broken foot in the latter part of the season, the Harriers placed only sixth in competition with other LEL cross country teams.

This year, the league's competition was quite strong. Three of the teams placed in

the top ten in the state.

Last year Rick Steinfadt placed third in the state, but, due to his injury this year, he was not able to improve his rating.

Coach Robert Mindek is optimistic about the team's future because of the potential displayed by the juniors and sophomores.

Patriots Raise a Racket for Victory

Valley Forge's 1964 tennis team won three games and lost four (losing three of the four matches by a 3-2 count). The team placed fourth in the rugged LEL competition. Under the coaching of Mr. James Riha, the netters practiced long hours. They continually strove for improvement and displayed both team and competitive spirit. The high spot of the season was the fall LEL Tournament where David Bohmer and Dale Stelz were undefeated in the second doubles. The team had two three-year lettermen this year; captain Donald Haberkost and David Bohmer.

For the second consecutive year, the wrestling team captured the Lake Erie League crown. Sharing the honor with Euclid High School, Valley Forge's wrestling team ended the season with nine wins and one loss. The team's victories over Euclid and Parma were some of the high-

lights of the season. Beginning in November, the team worked hard to perfect their techniques and methods of strategy, but they also used much intuition in order to gain the hoped-for success. With Mr. Steve Rudo as coach, the team went on to the district and state wrestling matches.

In their third season, the cagers met many rugged competitors. The basketball team opened its season by defeating Garfield Heights and ended the league competition with a victory over Lakewood. They placed fifth in the Lake Erie League with a final record of 8-11. Sophomore Jim Wolf was promoted to the varsity squad in the middle of the season. Outstanding members of the team, Dave Kencson and Tony Kijan-

ko, who were members of the All LEL Team, set many records. Dave placed second in the league in scoring, was VF's top scorer, and established a new record in assists. Tony set the rebound record for the year. Although Coach John Broski is losing five seniors, he feels that prospects will be good because of the league winning Junior Varsity team.

Cindermen Strive for LEL Crown

The 1963-1964 Valley Forge track team, composed of seventy-five boys, had an excellent season. Defeating such teams as Parma, Shaw, and Shaker Heights, the team placed second in the Lake Erie League. They also took second place in the Berea Relays in which twenty-one teams participated and second in the Euclid Relays in which

ten teams partook. The one-mile relay team placed among the top ten in the state. The team was coached by Mr. Stan Parish, who was in charge of distance men; Mr. Joe Carlo, who was in charge of weight events; and Mr. Robert Ramlow who was in charge of sprinters and jumpers.

In spring, a young man's fancy turns to baseball. Twenty-five boys were chosen out of the sixty that tried out for the varsity team. Under the watchful eye of head coach Mr. Steve Rudo, the Valley Forge Patriots practiced daily beginning in March. The 1963-1964 team finished the season with a twelve-win nine-loss record. This record

left us in fourth place, tied with Parma. Four members, Dick Nowack, Bob Plechaty, Dan Urban, and Gene Zayac were chosen for the West All Star Team. Bob Plechaty was selected as the most valuable player on the team. All home games were played at State Road Park.

Golf Practice Pays Off in Championship

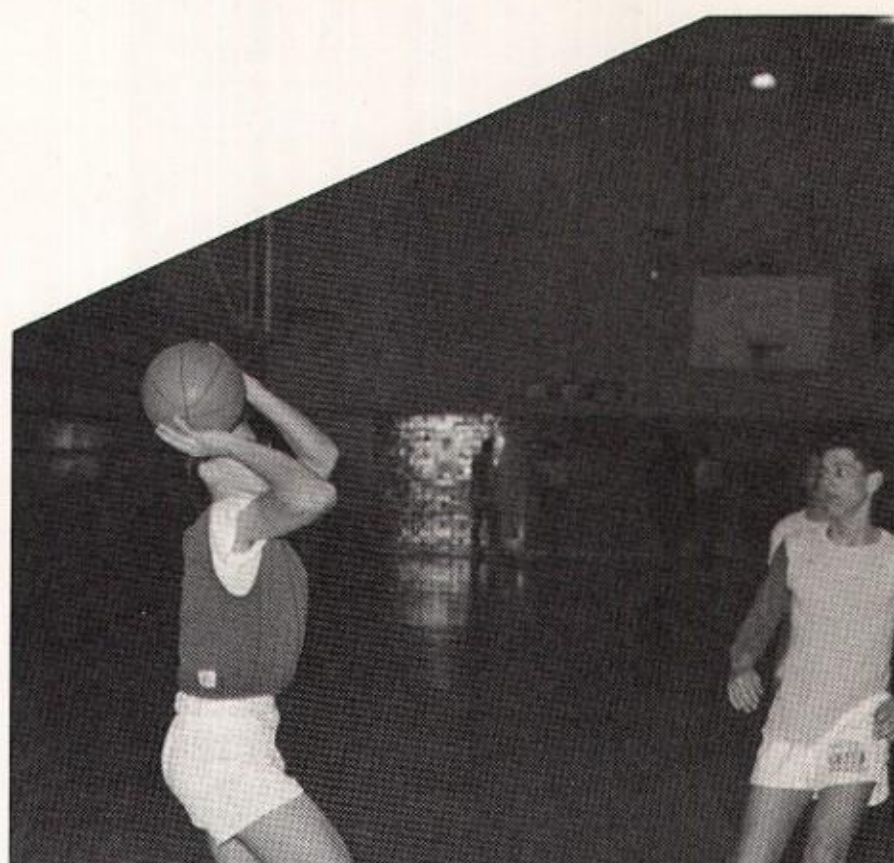

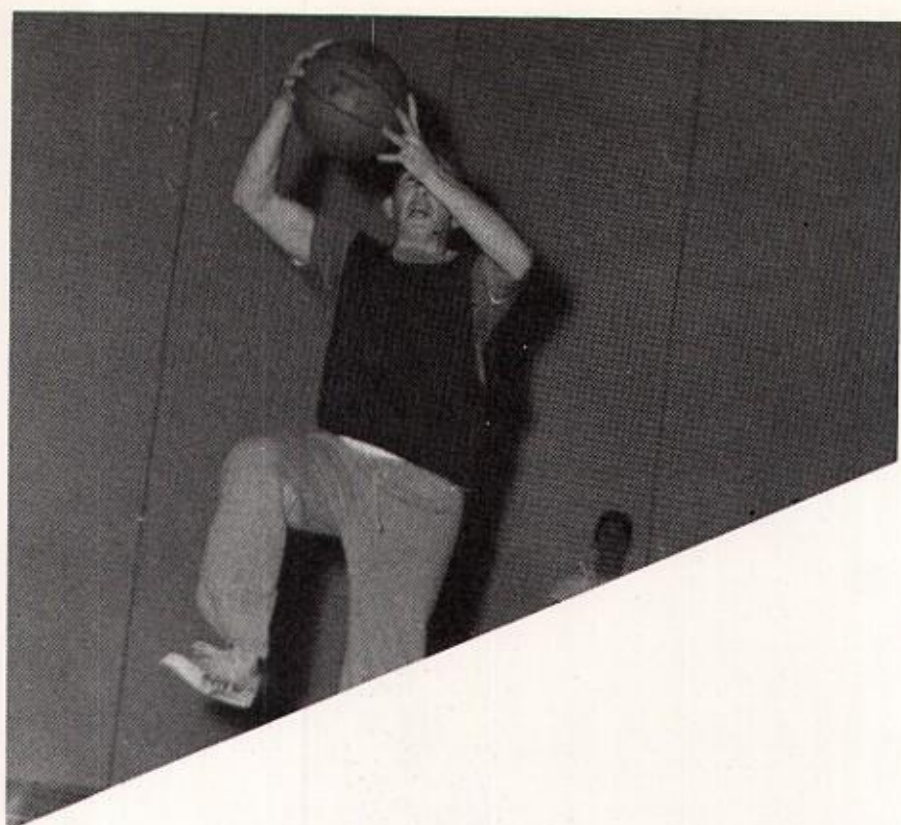

The Valley Forge Golf Team was coached by Mr. Fritzsche. Of the forty students who tried out for the team only the best eight players were accepted. The team practiced every afternoon during the season. Ridgewood Country Club was the home course but the team also played at Shaker Country club, Columbia Hills, and other courses. In 1964 the team won the LEL championship. Three players from that winning team returned this year. The goal of the team was not only to win the LEL championship in 1965 but also to win the district tournament and qualify to play in the state tournament.

Boys Participate in Intramurals

"Participation" was the key word for the Boys' Intramural Program this year. The goal of the program was to reach as many boys as possible with a varied, well-balanced plan of activities. Enthusiasm for intramural sports was evident with over one-thousand boys taking an active interest.

Some of the more popular sports were touch football, basketball, track, skiing, bowling, and volleyball. Team members of a varsity sport were not eligible for the intramural competition in that sport, but there were no restrictions on class or grade. Mr. Glenn Preising directed the program.

Junior Varsity Maintains Winning Spirit

Coached by Mr. Glenn Preising, the junior varsity football team finished with a fine record of eight wins and two losses. They ranked in second place in the Lake Erie League. Stressing defense this year, the junior Patriots were defeated by only Cleveland Heights and Lakewood.

The junior varsity basketball team carried on the JV spirit. Coaching the team

was Mr. James Riha, who emphasized shooting and defense throughout the season. The boys' hard work helped them to finish the season with a fine record.

FACULTY

Our Able Administrators Open Doors of

Mr. David Smith
Principal

The educational program for students at Valley Forge High School is designed to provide a broad general education, to offer college preparatory courses for students who plan to continue their academic education, to provide vocational training, to offer opportunities for leadership and participation, to develop special guidance, and to provide for physical and social development. All of this is done within the framework of our cherished democratic heritage. We hope

that the lives of our students will be broadened and deepened as a result of their high school career and that they will become effective citizens in our country.

To our 1965 graduating seniors—we sincerely wish personal happiness and a most worthwhile and rewarding future.

Educational Opportunity

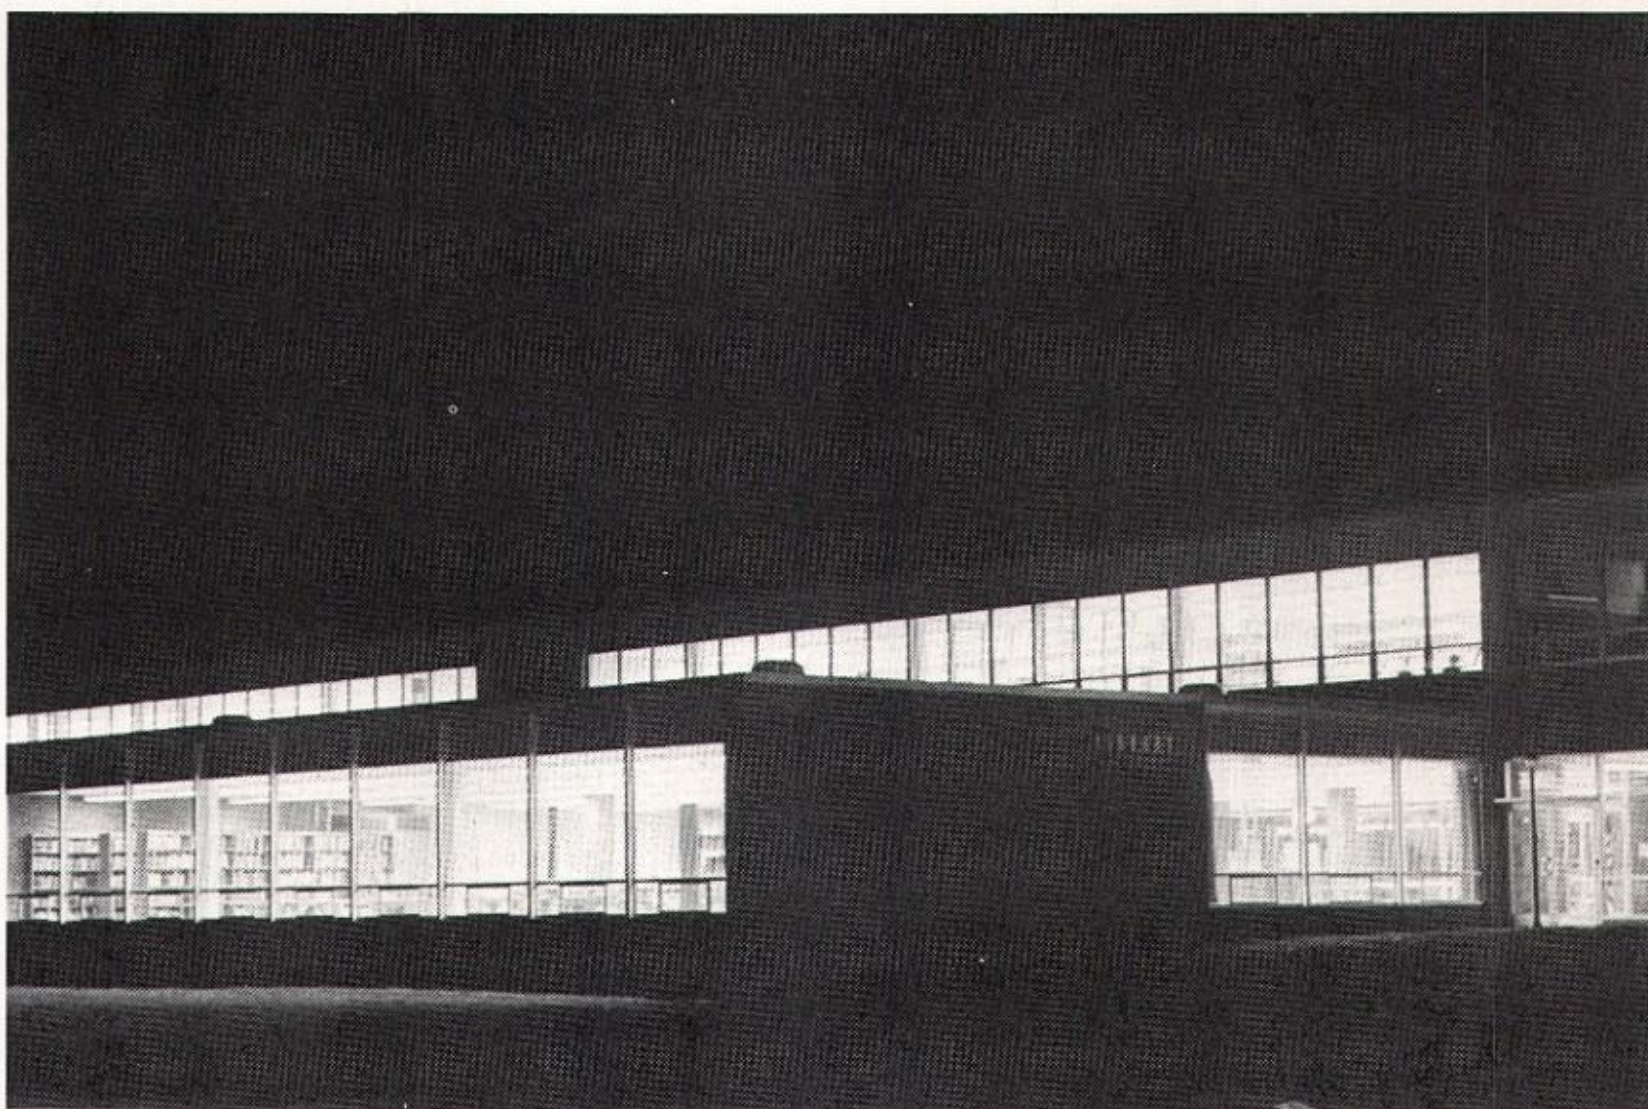

Mr. David Laurenzi
Assistant Principal

Mr. David Laurenzi, our assistant principal, believes in an open door policy. He is always willing to take the time to advise students, parents, and teachers. In this way he is able to identify problems and evaluate the different aspects of various school functions.

He feels that school spirit is important at Valley Forge, and he works to foster it in both the faculty and in the student body.

Mr. Laurenzi is guided in the administration of discipline by a few basic principles. He feels that a school must be made up of self-disciplined people and he tries to offer students every opportunity to develop self-discipline by giving them freedom and independence. Those who fail to face the responsibility of independence or misuse it are disciplined as individuals so that the welfare of the other students is protected.

The Valley Forge Counseling Department is kept very busy throughout the year with student, teacher, and parent conferences. The sincere student finds that he always has an interested consultant to whom he may turn during periods of indecision or emotional turmoil. In these conferences vocational and educational plans are discussed as well as personal difficulties. In addition to the advice which the counselors give to college-bound seniors, representatives of various industries and

businesses visit the school to explain to vocational students the opportunities available in the various fields of immediate employment. For the college-bound student a complete selection of college catalogues and related information is available in the library. College Night is also an event of special importance to college preparatory juniors and seniors and their parents, as it gives them an opportunity to personally meet with representatives of the various colleges.

Mr. Stuart Openlander
Superintendent of Schools

The board of education acts as the policy-making body for the Parma City School District. This year, with its new superintendent, Mr. Stuart Openlander, the Board strived for continued success. The former Superintendent of Dearborn, Michigan, was selected from a field of over ninety applicants to fill the position left open as a result of Mr. Paul W. Briggs' accepting the position of Superintendent of Schools in Cleveland. Mr. Arch Brown served as acting superintendent for the first semester in Parma.

New Techniques in Cultural Arts Provide

Mrs. Thelma Knerr
Head Librarian

The students at Valley Forge are very fortunate to have one of the finest high school faculties in the country. Every possible assistance is available to the students. Courses are offered in every field from arts seminar to industrial education. Advanced courses are offered in many fields. Each department is headed by a member of the faculty who is outstanding in his field. The teachers come from all over the country, and some from other parts of the world.

Working permits, student registration, transfers and withdrawals, and approval of posters are some of the duties of the secretaries in the main office. The secretaries, with the help of their student aids, keep Valley Forge moving at a steady pace.

A modern library is maintained for the use of the whole student body. Many students devote their study halls to assist and aid the librarians. The library is equipped with volumes of books and magazines.

Librarians, Miss Smith and Mrs. Snoddy, acquaint themselves with new materials in the library.

The growth of a yearbook, like the growth of a person, is a product of care. The care with which a family treats a baby or small child should be similar to the care with which a staff member treats his responsibility in the yearbook's growth. The life of a yearbook begins with the birth of an idea, a theme which provides the raw material with which the staff will work in developing the book. This idea is much like a new-born child, undeveloped, soft, waiting to be molded.

The infant yearbook, like the infant, is influenced by its large family of people concerned with its welfare. As each page is planned, as the page is drawn, as the copy is written, as the pictures are taken, the young volume grows physically and mentally. This growth, although a steady, enlarging process, is not a completely smooth procedure. As no life is free of problems, the production of a yearbook is not a problem-free development. Each problem is an experience, an occurrence which will be remembered in order to serve as a warning against similar mistakes. Time progresses; the baby becomes a child; the child moves toward maturity. The care which has been taken in raising this child shapes his personality after maturity. So it is with our yearbook; the care and love which each staff member has put into his work is exhibited in our finished product.

On behalf of the entire staff, I would like to take this opportunity to thank the other people who have helped to make this book possible. We extend our very sincere appreciation to Mr. David M. Smith for his assistance and understanding; Mr. Bernard Specht, the stagecraft crew, and the custodians for their aid in the auditorium during picture-taking; and to the entire faculty who cooperated so well with the **Archive** staff. I personally wish to extend my deep appreciation to the members of the **Archive** editorial staff for their diligent work and tender care in the production of the 1965 **Archive**; to Mrs. Katherine Szmagala and the business staff for their expert handling of finances; and to Miss Suzanne Murphy for her advice, patience, and guidance in the position of faculty adviser.

Conversely, the life of a person is accented by an experience such as working on a yearbook staff. Three years on the **Archive** staff have been a growing and learning process. I have grown with our yearbook to a maturity in which I understand the meaning and obligations of accepting responsibility. This past year as editor-in-chief, I have realized the value of my experience. Each day's work on the **Archive** has been a well-spent effort, and each page in this volume holds cherished memories. The 1965 **Archive** is a lasting memory of one of the best years of my life. I hope it will be for you a similar reminder.

IN MEMORIAM

LORRENCE PRENSLOW

January 7, 1949 — February 7, 1965

Debate trips are strange events, where many different things can happen; last Saturday was a typical trip.

Parma and Valley Forge students go together on the same bus; we sit in the front, they in the back; it has always been that way. Traveling to and from destinations, we laugh, and talk, and sometimes work on debate material; the Forge debaters laugh and talk, too, and more than not end up singing . . . anything from folk songs to the Patriot fight cry.

There is always friendly rivalry, cutting remarks about the other school, swapped exaggerations.

And last Saturday, coming home from St. Joseph Academy, was no exception. We laughed and talked, and the boys from Valley Forge sang the Salvation Army song . . . "in our town there are one-and-a-half high schools; Valley Forge is one." I remember looking back just once, in the middle of their chorus, and they were all smiling, singing loudly—considerably off-key, and sophomore Larry Prenslow was standing up, changing seats, singing, laughing.

That was Saturday afternoon.

Saturday night, early Sunday morning, when most of us were on our way home from the Senior Dance, Larry Prenslow was dead, killed in a blinding automobile crash in Parma Heights.

Now I didn't know Larry Prenslow very well; I knew him well enough to say "hello" and he would recognize me in the same way. But it hurts more, somehow, when it happens so close, so tangible, and when it could have been me, you, any of us.

We didn't know him well.

But he had just as much a right to the future as any of us; he had just as bright a future as any of us; he had just as many hopes for the future.

We pause this silent Friday morning in memory of him . . . our rivalries subdued, our sympathies extended to family and friends, our prayers for Larry Prenslow.
